

# Questions to Ask Your Doctor about a **Diagnostic Test**

---

Quality healthcare is a team effort. And as the most important member of your Care Team, you can make sure you get the best possible care by being prepared for your appointment and asking questions before, during and after your visit.

But what questions should you ask? If you're visiting your doctor to talk about a test, here's a list of questions you can print and bring to your appointment.

Don't forget, making sure you understand the answers you get is just as important. It's always a good idea to take notes. And if you don't understand or are confused, ask your doctor to explain the answer again.
